Personally I'd have to say my favorite character is Jason!  
GOD that man is the definition of sex haha. My second favorite  
would have to be Lafayette. He has such a great personality  
he really cracks me up.

My favorite female on the show is Tara. I love how she speaks her mind no matter what.

Favorite male on the show is Sam because I guess I can relate to him more than any other..not that I turn into a dog or  
anything but how he is always looking for something but it's like he doesn't know what he is looking for.

The books - Favorite male is Eric after reading "Dead to the World". I didn't like him before that book.

Favorite female in the books - Sookie. It is hard to focus on another female, especially in the books.

I really love Lafayette but wonder if he will ever be the same after his ordeal. I also find it impossible not to love Jason  
and Tara.

Here are my top 3!

- 1)Jason..he is sexy and his character is so funny
  - 2)Lafiette...hilarious!
  - 3)It is a tie...Tara/Sookie
- Tara is entertaining to watch  
Sookie is a lot like me, personality wise...so really felt a connection with a character like that!

Out of the vampires...I would say Eric:P
